

Tim Winkelmanns, Manager, e-Learning Programs Unit, Ministry of Education

Outline

The Road to Quality: Are We There Yet?

This session will focus on how BC promotes quality to improve achievement for the students in BC's public distributed learning schools. This will be addressed by providing answers to a series of key questions including:

- What are the strategies the Ministry is using and promoting?
- What evidence is available?
- What promising practices exist?
- What work remains?

The session will also include time for delegate questions.

Bio

Tim Winkelmanns is the Manager of the e-Learning Programs Unit, Ministry of Education, and has led distance learning initiatives within several ministries and the Open Learning Agency. He leads distributed learning policy and quality initiatives for 51 schools.

Tim has a B.Ed (University of Victoria, 1984) in secondary mathematics and biology and an M.A. (Ontario Institute for Studies in Education, 1989) in Computer Applications in Education, and is completing doctoral studies at the University of Calgary.
