February 24th @ 1 PM EST: Delivering Online Professional Development: Cultivating Community and a Worldwide Corps of Online Teachers

[Sign Me Up](#)

While new media affords teachers the opportunity to break free from the isolation of the traditional classroom to participate more fully in the social world, the challenge for developing a community of practice is much greater. For K12 Inc., this challenge was viewed as an opportunity to be a leader in developing not only a world-class curriculum, but also a culture that attracts, advances and retains a skilled and diverse body of online teachers which results in an engaged workforce but of equal importance, engaged students! Guadalupe Vander Ploeg is a Senior Manager of Teacher Effectiveness for K12 Inc.
