

Elluminate Newsline

The ePublication created exclusively for educators.
March 2010

FEATURED STORY

Best practices in educational technology recognized. Elluminate is proud to announce the **Center of Excellence** winners and **Elluminate Heroes** for 2010. This is Elluminate's 5th year recognizing international educational and corporate institutions for best practices and leading the way in using Elluminate technology in innovative and creative ways. [Meet the winners.](#)

New Elluminate Bridge for Moodle now available. For both ASP and self-hosted customers, this newest Moodle integration includes the ability to create live sessions and view recordings. Users can assign sessions to groups and pre-load content. Also includes support for Moodle version 1.9x. **Existing Moodle Bridge users can upgrade at any time.** [Learn more.](#)

Elluminate international partner holds webinar. The leading European learning platform provider **Fronter** wants you to know more about how they are embedding Elluminate technology. Don't miss this webinar on **March 31st** to learn about how you can easily upgrade to Elluminate vOffice, Elluminate vClass, or Elluminate *Live!* [Register now.](#)

Elluminate.com is getting a new look! Coming soon to a web browser near you. We're re-launching our website with the same great content and an exciting new look. You can look forward to **Web 2.0 styling**, **easy-to-use navigation**, and **easy-to-find resources**. Plus, learn more about our unique **unified learning and collaboration** approach to education and training.

Elluminate is on the road! You're invited to join us at one or more of the many eLearning conferences and trade shows we are participating in throughout the year. From **TXDLA** and **WEMTA** in March to **USDLA** and **ASTD** in May to **ISTE** and **EDUCAUSE Southeast Regional** in June, we'll be there to "Elluminate" you. [View our event schedule.](#)

Video Collaboration for the Way You Work. Learn how you can deliver high-quality, high-frame-rate, multipoint video collaboration to desktop users - at a price you can afford. [Elluminate VCS](#) is the next generation videoconferencing for educators and trainers. **Expand existing videoconferencing infrastructure and add powerful, real-time data collaboration tools**, even over low-bandwidth connections. [View recording.](#)

Show us the numbers! We know that synchronous eLearning is transforming teaching and learning worldwide. Elluminate needs your help to go beyond providing anecdotal evidence by gathering quantitative data about specific benefit and impact at your academic institution. The statistical evidence you share will be published in a white paper. We welcome your participation! Complete brief [K-12 survey](#) or [HE survey](#) NOW!

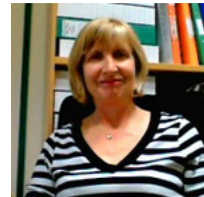

Got Feedback? Have a question about anything in this issue? Just give us a call or send us an email. We'd love to hear from you.

Best regards,

Maurice Heiblum
President
