Get a personal virtual room with a fixed moderator name for up to 50 participants for **less than \$50 USD per month**. Plus, now you can order directly from our new **LearnCentral Store**. It's convenient, easy, and you can use your new vOffice immediately. [Buy now.](#)

Blackboard

Now supporting Blackboard Enterprise 9.1. Get connected!

[Elluminate Bridges](#) provide seamless, one-click access to your virtual classroom right from your existing learning or content management system. You can even integrate multiple LMS or CMS applications. [Learn more](#) about our latest release of the **Elluminate Bridge for Blackboard Enterprise**.

Elluminate Session Administration and Management tools put you in control. If you're an Elluminate Administrator, you have unprecedented power to manage users, schedule different session types, generate detailed usage reports, and much more - at your finger tips. Check out our comprehensive [training resources](#) to help you configure and use your **Elluminate Live! ASP service** to meet your needs.

National University of Ireland pilots Elluminate Live! "With Elluminate, we now have a means of communicating in a very immediate way with learners scattered over Ireland and potentially anywhere in the world," says **Peter Cantillon, head of the Department of General Practice in NUI's School of Medicine**. "They can engage

with us and each other in a way that they couldn't before, particularly as a larger group." [Read interview.](#)

Grounded conference attendees participate online with Elluminate.

When Elluminate partner BELNET hosted the 2010 Euro-IX Conference in Brussels, little did they know that Mother Nature had a surprise in store. Luckily, Elluminate technology was able to connect attendees from around the world who couldn't travel to the event. [Read story.](#)
