1. *Elluminate Live!*

Elluminate Live! is an online conferencing system that lets you meet with other people in a virtual meeting room. If you are a BC educator, or other authorized user, you can login to LearnNowBC and book a single meeting for occasional use or reserve a long-term meeting room for up to one year.

The long-term use meeting rooms are suitable for regular online classroom sessions and other meetings. When you book a room, you will be emailed a link to the meeting room that you can send to anyone you would like to invite to the session. All your invited guests have to do is click on the link and type in their display name to join a session.

When you are logged in to LearnNowBC, click the "My Calendar" icon to view your booked meetings.

If you need help setting up your LearnNowBC account or *Illuminate Live!* meeting room, contact our [Help Centre](#) or call toll-free 1-800-946-8332.
