

VIRTUAL SCHOOL SOCIETY

CyberSafe with Steve Dotto **Live Announcer Read**

Concerned about the safety of your kids on the Internet? Join technology expert Steve Dotto for a free interactive workshop that will help you understand the dangers lurking on the World Wide Web, and how your kids can avoid them. The workshop will take place on (day and date) at (time), at (location and address). Street proof your kids for the Internet. Make them *CyberSafe with Steve Dotto*. Presented by (name of sponsoring organization). For more information, please call (local contact phone number).
